AMENDMENT

TO RULES COMMITTEE PRINT 116–19

OFFERED BY MR. PAPPAS OF NEW HAMPSHIRE

At the end of subtitle B of title III, insert the following:

SEC. 3. PROHIBITION ON USE OF PERFLUOROALKYL SUBSTANCES AND POLYFLUOROALKYL SUBSTANCES FOR LAND-BASED APPLICATIONS OF FIREFIGHTING FOAM.

(a) LIMITATION.—After October 1, 2022, no amount authorized to be appropriated or otherwise made available for the Department of Defense may be obligated or expended to procure firefighting foam that contains in excess of one part per billion of perfluoroalkyl substances and polyfluoroalkyl substances.

(b) PROHIBITION ON USE OF EXISTING STOCKS.—Not later than October 1, 2023, the Secretary of Defense shall cease the use of firefighting foam containing in excess of one part per billion of perfluoroalkyl substances and polyfluoroalkyl substances;

(c) EXEMPTION FOR SHIPBOARD USE.—Subsections (a) and (b) shall not apply to firefighting foam for use solely onboard ocean-going vessels.
(d) DEFINITIONS.—In this section:

(1) The term “perfluoroalkyl substances” means aliphatic substances for which all of the H atoms attached to C atoms in the nonfluorinated substance from which they are notionally derived have been replaced by F atoms, except those H atoms whose substitution would modify the nature of any functional groups present.

(2) The term “polyfluoroalkyl substances” means aliphatic substances for which all H atoms attached to at least one (but not all) C atoms have been replaced by F atoms, in such a manner that they contain the perfluoroalkyl moiety CₙF₂n₊₁ (for example, C₈F₁₇CH₂CH₂OH).
