

**AMENDMENT TO H.R. 6276, AS REPORTED**  
**OFFERED BY MS. TITUS OF NEVADA**

Strike paragraph (7) of section 2(a) of the bill and  
insert the following:

1           (7). OCCUPANCY.—

2                   (A) IN GENERAL.—The term “occupancy”  
3           means the total number of employees covered  
4           under section 6101 of title 5, United States  
5           Code, that are provided a workspace in a public  
6           building or federally-leased space for purposes  
7           of carrying out in-person, official duties, as de-  
8           scribed under such section.

9                   (B) EXCEPTIONS.—An employee shall be  
10          considered to be covered under subparagraph  
11          (A) if such employee is a full-time employee for  
12          whom a Federal agency has established an al-  
13          ternative workweek schedule pursuant to—

14                           (i) section 6122 of title 5, United  
15                           States Code; or

16                           (ii) section 6127 of such title.
