AMENDMENT TO
RULES COMMITTEE PRINT 116–57
OFFERED BY MR. PÆRLMUTTER OF COLORADO

On page 240, after line 3, add the following:

SEC. ___. GUARANTEEING EQUIPMENT SAFETY FOR FIRE-FIGHTERS ACT OF 2020.

(a) SHORT TITLE.—This section may be cited as the “Guaranteeing Equipment Safety for Firefighters Act of 2020”.

(b) NATIONAL INSTITUTE OF STANDARDS AND TECHNOLOGY STUDY ON PER- AND POLYFLUOROALKYL SUBSTANCES IN PERSONAL PROTECTIVE EQUIPMENT WORN BY FIREFIGHTERS.—

(1) IN GENERAL.—Not later than 3 years after the date of the enactment of this Act, the Director of the National Institute of Standards and Technology shall, subject to availability of appropriations, in consultation with the Director of the National Institute for Occupational Safety and Health, complete a study of the contents and composition of new and unused personal protective equipment worn by fire-fighters.
(2) CONTENTS OF STUDY.—In carrying out the study required by paragraph (1), the Director of the National Institute of Standards and Technology shall examine—

(A) the identity, prevalence, and concentration of per- and polyfluoroalkyl substances (commonly known as “PFAS”) in the personal protective equipment worn by firefighters;

(B) the conditions and extent to which per- and polyfluoroalkyl substances are released into the environment over time from the degradation of personal protective equipment from normal use by firefighters; and

(C) the relative risk of exposure to per- and polyfluoroalkyl substances faced by firefighters from—

(i) their use of personal protective equipment; and

(ii) degradation of personal protective equipment from normal use by firefighters.

(3) REPORTS.—

(A) PROGRESS REPORTS.—Not less frequently than once each year for the duration of the study conducted under paragraph (1), the Director shall submit to Congress a report on
the progress of the Director in conducting such study.

(B) Final Report.—Not later than 90 days after the date on which the Director completes the study required by paragraph (1), the Director shall submit to Congress a report describing—

(i) the findings of the Director with respect to the study; and

(ii) recommendations on what additional research or technical improvements to personal protective equipment materials or components should be pursued to avoid unnecessary occupational exposure among firefighters to per- and polyfluoroalkyl substances through personal protective equipment.

(c) Research on Per- and Polyfluoroalkyl Substances in Personal Protective Equipment Worn by Firefighters.—

(1) In General.—Not later than 180 days after the date of the submittal of the report required by subsection (b)(3)(B), the Director of the National Institute of Standards and Technology shall—
(A) issue a solicitation for research proposals to carry out the research recommendations identified in the report submitted under subsection (b)(3); and

(B) award grants to applicants that submit research proposals to develop safe alternatives to per- and polyfluoroalkyl substances in personal protective equipment.

(2) CRITERIA.—The Director shall select research proposals to receive a grant under paragraph (1) on the basis of merit, using criteria identified by the Director, including the likelihood that the research results will address the findings of the Director with respect to the study conducted under subsection (b)(1).

(3) ELIGIBLE ENTITIES.—Any entity or group of 2 or more entities may submit to the Director a research proposal in response to the solicitation for research proposals under paragraph (1), including—

(A) State and local agencies;

(B) public institutions, including public institutions of higher education;

(C) private corporations; and

(D) nonprofit organizations.
(d) Authority for Director of the National Institute of Standards and Technology to Consult With Experts on Matters Relating to Per- and Polyfluoroalkyl Substances.—In carrying out this section, the Director of the National Institute of Standards and Technology may consult with Federal agencies, nongovernmental organizations, State and local governments, and science and research institutions determined by the Director to have scientific or material interest in reducing unnecessary occupational exposure to per- and polyfluoroalkyl substances by firefighters.

(e) Authorization of Appropriations.—

(1) In General.—There are authorized to be appropriated to the Director $2,500,000 to carry out this section.

(2) Supplement Not Supplant.—Funds made available to carry out this section shall supplement and not supplant funds made available to the Director for other purposes.
