

AMENDMENT TO H.RES. 1490
OFFERED BY MS. PETTERSEN OF COLORADO

Insert after the fourteenth whereas clause the following:

Whereas the Trump Administration's Executive Order 14399 (91 Fed. Reg. 17125; relating to ensuring citizenship verification and integrity in Federal elections) raises significant concerns regarding the timely and secure handling of election mail;

Whereas making any Federal operational changes could delay, restrict, or otherwise compromise ballot delivery;

Whereas the Administration's actions related to the regulations of the United States Postal Service have prompted concern that these changes may undermine public confidence in election integrity and impede the ability of eligible voters to participate fully and securely in the democratic process;
