AMENDMENT TO
RULES COMMITTEE PRINT 117–54
OFFERED BY MR. SARBANES OF MARYLAND

At the end of title LVIII of division E, insert the following:

SEC. ___. EPA REQUIREMENT FOR SUBMISSION OF ANALYTICAL REFERENCE STANDARDS FOR PFAS.

(a) In General.—Not later than 180 days after the date of enactment of this Act, the Administrator of the Environmental Protection Agency shall require each covered entity to submit to the Administrator an analytical reference standard for each chemical substance with at least one fully fluorinated carbon atom manufactured by the covered entity after the date that is 10 years prior to the date of enactment of this Act.

(b) Uses.—The Administrator may—

(1) use an analytical reference standard submitted under this section only for—

(A) the development of information, protocols, and methodologies, which may be carried out by an entity determined appropriate by the Administrator; or
(B) activities relating to the implementation or enforcement of Federal requirements; and

(2) provide an analytical reference standard submitted under this section to a State, to be used only for—

(A) the development of information, protocols, and methodologies, which may be carried out by an entity determined appropriate by the State; or

(B) activities relating to the implementation or enforcement of State requirements.

(e) PROHIBITION.—No person receiving an analytical reference standard submitted under this section may use or transfer the analytical reference standard for a commercial purpose.

(d) DEFINITIONS.—In this section:

(1) The term “Administrator” means the Administrator of the Environmental Protection Agency.

(2) The term “chemical substance” means any organic or inorganic substance of a particular molecular identity.

(3) The term “covered entity” means a manufacturer of a chemical substance with at least one fully fluorinated carbon atom.
(4) The terms “manufacture” and “State” have the meanings given those terms in section 3 of the Toxic Substances Control Act (15 U.S.C. 2602).
