4           (5) An outreach strategy for using mobile Vet  
5           Centers, Vet Center outstations, and community ac-  
6           cess points to ensure that mental health care serv-  
7           ices reach veterans in underserved areas.

8           (c) DEFINITIONS.—In this section:

9           (1) The term “covered State” means each State  
10          (including the District of Columbia, Puerto Rico,  
11          and any territory or possession of the United States)  
12          that has a ratio of one Vet Center per 100,000 or  
13          more veterans who reside in such State (as such  
14          population is determined by the Secretary of Vet-  
15          erans Affairs, acting through the National Center  
16          for Veterans Analysis and Statistics, for fiscal year  
17          2021).

18          (2) The term “Vet Center” has the meaning  
19          given that term in section 1712A of title 38, United  
20          States Code, including with respect to Vet Center  
21          outstations, but not including mobile Vet Centers.
