“(4) The Secretary shall approve or reject an application for such a grant within 60 days after receiving an application for the grant.

“(c) WORKING WATERFRONT PLANS.—

“(1) To be eligible for a grant under subsection (b), a coastal State must submit and have approved by the Secretary a comprehensive working waterfront plan in accordance with this subsection, or be in the process of developing such a plan and have an established working waterfront program at the State or local level, or the Secretary determines that an
existing coastal land use plan for that State is in ac-
cordance with this subsection.

“(2) Such plan—

“(d) USES, TERMS, AND CONDITIONS.—

“(1) Each grant made by the Secretary under this section shall be subject to such terms and conditions as may be appropriate to ensure that the grant is used for purposes consistent with this section.

“(2) A grant under this section may be used—

“(A) to acquire a working waterfront, or an interest in a working waterfront;

“(B) to make improvements to a working waterfront, including the construction or repair of wharfs, boat ramps, or related facilities; or

“(C) for necessary climate adaptation or mitigation.
“(e) Public Access Requirement.—A working waterfront project funded by grants made under this section must provide for expansion, improvement, or preservation of reasonable and appropriate public access to coastal waters at or in the vicinity of a working waterfront, except for commercial fishing or other industrial access points where the coastal State determines that public access would be unsafe.

“(f) Limitations.—

“(1) Except as provided in paragraph (2), a grant awarded under this section may be used to purchase working waterfront or an interest in working waterfront, including an easement, only from a willing seller and at fair market value.

“(2) A grant awarded under this section may be used to acquire working waterfront or an interest in working waterfront at less than fair market value only if the owner certifies to the Secretary that the sale is being entered into willingly and without coercion.

“(3) No Federal, State, or local entity may exercise the power of eminent domain to secure title to any property or facilities in connection with a project carried out under this section.
“(g) ALLOCATION OF GRANTS TO LOCAL GOVERNMENTS AND OTHER ENTITIES.—

“(1) The Secretary shall encourage coastal States to broadly allocate amounts received as grants under this section among working waterfronts identified in working waterfront plans approved under subsection (c).

“(2) Subject to the approval of the Secretary, a coastal State may, as part of an approved working waterfront plan, designate as a qualified holder any unit of State or local government or nongovernmental organization, if the coastal State is ultimately responsible for ensuring that the property will be managed in a manner that is consistent with the purposes for which the land entered into the program.

“(3) A coastal State or a qualified holder designated by a coastal State may allocate to a unit of local government, nongovernmental organization, fishing cooperative, or other entity, a portion of any grant made under this section for the purpose of carrying out this section, except that such an allocation shall not relieve the coastal State of the responsibility for ensuring that any funds so allocated are
applied in furtherance of the coastal State’s approved working waterfront plan.

“(4) A qualified holder may hold title to or interest in property acquired under this section, except that—

“(A) all persons holding title to or interest in working waterfront affected by a grant under this section, including a qualified holder, private citizen, private business, nonprofit organization, fishing cooperative, or other entity, shall enter into a working waterfront covenant;

“(h) Matching Contributions.—

“(1) Except as provided in paragraph (2), the Secretary shall require that each coastal State that receives a grant under this section, or a qualified holder designated by that coastal State under subsection (g), shall provide matching funds in an amount equal to at least 25 percent of the total cost of the project carried out with the grant.

“(2) The Secretary may waive the application of paragraph (1) for any qualified holder that is an underserved community, a community that has an inability to draw on other sources of funding because of the small population or low income of the commu-
nity, or for other reasons the Secretary considers appropriate.

“(3) A local community designated as a qualified holder under subsection (g) may utilize funds or other in-kind contributions donated by a nongovernmental partner to satisfy the matching funds requirement under this subsection.

“(4) As a condition of receipt of a grant under this section, the Secretary shall require that a coastal State provide to the Secretary such assurances as the Secretary determines are sufficient to demonstrate that the share of the cost of each eligible project that is not funded by the grant awarded under this section has been secured.

“(5) If financial assistance under this section represents only a portion of the total cost of a project, funding from other Federal sources may be applied to the cost of the project. Each portion shall be subject to match requirements under the applicable provision of law.

“(6) The Secretary shall treat as non-Federal match the value of a working waterfront or interest in a working waterfront, including conservation and other easements, that is held in perpetuity by a qualified holder, if the working waterfront or inter-
est is identified in the application for the grant and acquired by the qualified holder within 3 years of the grant award date, or within 3 years after the submission of the application and before the end of the grant award period. Such value shall be determined by an appraisal performed at such time before the award of the grant as the Secretary considers appropriate.

“(7) The Secretary shall treat as non-Federal match the costs associated with acquisition of a working waterfront or an interest in a working waterfront, and the costs of restoration, enhancement, or other improvement to a working waterfront, if the activities are identified in the project application and the costs are incurred within the period of the grant award, or, for working waterfront described in paragraph (6), within the same time limits described in that paragraph. These costs may include either cash or in-kind contributions.

“(i) LIMIT ON ADMINISTRATIVE COSTS.—No more than 5 percent of the funds made available to the Secretary under this section may be used by the Secretary for planning or administration of the program under this section.
