AMENDMENT TO THE RULES COMMITTEE PRINT
FOR H.R. 5
OFFERED BY MR. POLIS OF COLORADO

In title VI of the Elementary and Secondary Education Act of 1965, as proposed to be amended by section 601(a) of the bill—

(1) redesignate part F as part G; and

(2) insert after part E the following:

"PART F—STUDENT NON-DISCRIMINATION ACT
OF 2015

"SEC. 6571. SHORT TITLE.
"This part may be cited as the ‘Student Non-Discrimination Act of 2015’.

"SEC. 6572. FINDINGS AND PURPOSES.
"(a) FINDINGS.—The Congress finds the following:
"(1) Public school students who are lesbian, gay, bisexual or transgender (LGBT), or are perceived to be LGBT, or who associate with LGBT people, have been and are subjected to pervasive discrimination, including harassment, bullying, intimidation and violence, and have been deprived of equal educational opportunities, in schools in every part of our Nation."
“(2) While discrimination, including harassment, bullying, intimidation and violence, of any kind is harmful to students and to our education system, actions that target students based on sexual orientation or gender identity represent a distinct and especially severe problem.

“(3) Numerous social science studies demonstrate that discrimination, including harassment, bullying, intimidation and violence, at school has contributed to high rates of absenteeism, dropout, adverse health consequences, and academic underachievement among LGBT youth.

“(4) When left unchecked, discrimination, including harassment, bullying, intimidation and violence, in schools based on sexual orientation or gender identity can lead, and has led to, life-threatening violence and to suicide.

“(5) Public school students enjoy a variety of constitutional rights, including rights to equal protection, privacy, and free expression, which are infringed when school officials engage in discriminatory treatment or are indifferent to discrimination, including harassment, bullying, intimidation and violence, on the basis of sexual orientation or gender identity.
“(6) While Federal statutory protections expressly address discrimination on the basis of race, color, sex, religion, disability, and national origin, Federal civil rights statutes do not expressly include ‘sexual orientation’ or ‘gender identity’. As a result, students and parents have often had limited legal recourse to redress for discrimination on the basis of sexual orientation or gender identity.

“(b) PURPOSES.—The purposes of this part are—

“(1) to ensure that all students have access to public education in a safe environment free from discrimination, including harassment, bullying, intimidation and violence, on the basis of sexual orientation or gender identity;

“(2) to provide a comprehensive Federal prohibition of discrimination in public schools based on actual or perceived sexual orientation or gender identity;

“(3) to provide meaningful and effective remedies for discrimination in public schools based on actual or perceived sexual orientation or gender identity;

“(4) to invoke congressional powers, including but not limited to the power to enforce the 14th Amendment to the Constitution and to provide for
the general welfare pursuant to section 8 of article I of the Constitution and the power to enact all laws necessary and proper for the execution of the foregoing powers pursuant to section 8 of article I of the Constitution, in order to prohibit discrimination in public schools on the basis of sexual orientation or gender identity; and

“(5) to allow the Department of Education to effectively combat discrimination based on sexual orientation or gender identity in public schools through regulation and enforcement, as the Department has issued regulations under and enforced title IX of the Education Amendments of 1972 and other nondiscrimination laws in a manner that effectively addresses discrimination.

“SEC. 6573. DEFINITIONS.

“For purposes of this part:

“(1) PROGRAM OR ACTIVITY.—The terms ‘program or activity’ and ‘program’ have same meanings given such terms as applied under section 606 of the Civil Rights Act of 1964 (42 U.S.C. 2000d–4a) to the operations of public entities under paragraph (2)(B) of such section.

“SEC. 6576. FEDERAL ADMINISTRATIVE ENFORCEMENT; REPORT TO CONGRESSIONAL COMMITTEES.

“ The Department is authorized and directed to effectuate the provisions of section 6575 with respect to any education program or activity under this Act by issuing rules, regulations, or orders of general applicability which shall be consistent with achievement of the objectives of this part authorizing the financial assistance in connection with which the action is taken. No such rule, regulation, or order shall become effective unless and until approved by the President. Compliance with any requirement adopted pursuant to this section may be effected—

“(1) by the termination of or refusal to grant or to continue assistance under such program or activity to any recipient as to whom there has been an express finding on the record, after opportunity for hearing, of a failure to comply with such requirement, but such termination or refusal shall be limited to the particular political entity, or part thereof, or other recipient as to whom such a finding has
been made, and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found, or

“(2) by any other means authorized by law,

except that no such action shall be taken until the Secretary has advised the appropriate person or persons of the failure to comply with the requirement and has determined that compliance cannot be secured by voluntary means. In the case of any action terminating, or refusing to grant or continue, assistance because of failure to comply with a requirement imposed pursuant to this section, the Secretary shall file with the committees of the House and Senate having legislative jurisdiction over the program or activity involved a full written report of the circumstances and the grounds for such action. No such action shall become effective until 30 days have elapsed after the filing of such report.

“SEC. 6577. CAUSE OF ACTION.

“(b) RULE OF CONSTRUCTION.—This section shall not be construed to preclude an aggrieved individual from obtaining other remedies under any other provision of law or to require such individual to exhaust any administrative complaint process or notice-of-claim requirement before seeking redress under this section.

“(c) STATUTE OF LIMITATIONS.—For actions brought pursuant to this section, the statute of limitations period shall be determined in accordance with section 1658(a) of title 28 of the United States Code. “(c) Remedies.—In a suit against a State for a violation of this Act, remedies (including remedies both at law and in equity) are available for such a violation to the same extent as such remedies are available for such a violation in the suit against any public or private entity other than a State.

“Sec. 6579. Effect on other laws.

“(b) FREE SPEECH AND EXPRESSION LAWS AND RELIGIOUS STUDENT GROUPS.—Nothing in this part shall be construed to alter legal standards regarding, or affect the rights available to individuals or groups under, other Federal laws that establish protections for freedom of speech and expression, such as legal standards and rights available to religious and other student groups under the 1st Amendment to the Constitution and the Equal Access Act (20 U.S.C. 4071 et seq.).
