

AMENDMENT TO H. CON. RES. 119
OFFERED BY MR. POLIS OF COLORADO

Strike the preamble and insert the following:

Whereas a carbon tax is a Federal tax on carbon released from fossil fuels;

Whereas a carbon tax will generate sufficient revenue to allow for tax relief in other sectors of the economy, including reducing individual and corporate tax rates;

Whereas a carbon tax is a market-based solution that will benefit our economy while also improving our environment; and

Whereas the United States energy policy should encourage innovation in renewable and clean technologies: Now, therefore, be it
