

**AMENDMENT TO RULES COMMITTEE PRINT 119–3**

**OFFERED BY MR. PETERS**

At the end of section 42113, add the following:

(c) CERTIFICATION.—This section and the amendments made by this section shall not take effect unless and until the Administrator of the Environmental Protection Agency and the Comptroller General of the United States each certify that implementation of this section and amendments made by this section will not lead to continued wasted methane that increases energy costs for Americans.
