1       “(g) LIMITATION.—The Administrator may not pro-  
2 vide payments under this section until such time as the  
3 Administrator submits to Congress a report containing—

4               “(1) an accounting of funds made available by  
5 the Federal Government, during the 18 month pe-  
6 riod preceding the date of enactment of this section,  
7 to be used for providing forgiveness of arrearages  
8 and fees described in this section;

9               “(2) a certification of the amount of arrearages  
10 and fees described in this section with respect to  
11 which such funds are insufficient to provide forgive-  
12 ness; and

13               “(3) a certification that implementation of this  
14 section will not—

1                   “(A) impair the financial wellbeing of a  
2                   public water system receiving such payments; or

3                   “(B) exacerbate drought in an area served  
4                   by such a public water system.

5           “(h) AUTHORIZATION OF APPROPRIATIONS.—There  
6 is authorized to be appropriated to carry out this section  
7 an amount equal to the amount certified under subsection  
8 (g)(2), but not to exceed \$4,000,000,000, to remain avail-  
9 able until expended.”.
