

**AMENDMENT TO RULES COMMITTEE PRINT 116-**  
**57**  
**OFFERED BY MR. RESCIENTHALER OF**  
**PENNSYLVANIA**

At the end of subtitle D of title I, add the following  
new section:

1 **SEC. 1\_\_\_ . INVESTMENT AND SUSTAINMENT PLAN FOR**  
2 **PROCUREMENT OF CANNON TUBES.**

3 (a) STRATEGY REQUIRED.—The Secretary of the  
4 Army shall develop a comprehensive, long-term strategy,  
5 which shall include a risk assessment, gap analysis, pro-  
6 posed courses of action, investment options, and a  
7 sustainment plan, for the development, production, pro-  
8 curement and modernization of cannon and large caliber  
9 weapons tubes that mitigates identified risks and gaps to  
10 the Army and the defense industrial base.

11 (b) ELEMENTS.—The strategy under subsection (a)  
12 shall include the following:

13 (1) An assessment of the sufficiency of the can-  
14 non tube industrial base to meet near and long-term  
15 development and production requirements, including  
16 an analysis of any capability or capacity gaps that

1        may exist currently or into the future given current  
2        and planned program demands.

3            (2) An analysis of the resources required and  
4        planned for the cannon tube industrial base across  
5        the future years defense program.

6            (3) A detailed analysis and explanation of the  
7        courses of action necessary to mitigate any existing  
8        or projected future capability gaps and deficiencies,  
9        including the establishment of a permanent or tem-  
10       temporary second source for cannon and large caliber  
11       weapons tubes if advisable, feasible, suitable, and af-  
12       fordable.

13           (4) Funding and timelines associated with the  
14        identification, qualification and sustainment of a  
15        permanent or temporary second source for cannon  
16        and large caliber weapons tubes through full and  
17        open competition that would be required to mitigate  
18        significant development, production, procurement,  
19        and modernization risk in the cannon tube industrial  
20        base.

21           (5) Such other information as the Secretary of  
22        the Army determines to be appropriate.

23        (c) SUBMITTAL TO CONGRESS.—Not later than 90  
24        days after the date of the enactment of this Act, the Sec-  
25        retary of the Army shall submit to the congressional de-

- 1 fense committees a copy of the strategy developed under
- 2 subsection (a).
