

**AMENDMENT TO
RULES COMMITTEE PRINT 117-31
OFFERED BY MR. RESCIENTHALER OF
PENNSYLVANIA**

Page 729, after line 5, inserting the following:

1 (3) RARE EARTH MATERIAL.—

2 (A) PRIORITY.—In awarding grants, loans,
3 and loan guarantees under the Fund, the As-
4 sistant Secretary shall give priority to eligible
5 entities and applications involving the domestic
6 manufacturing of NdFeB and SmCo rare earth
7 permanent magnets, including the alloying, re-
8 duction, strip casting, and metallization of com-
9 ponent rare earth material.

10 (B) RESTRICTION ON COMPONENT
11 SOURCING.—An entity is not eligible for a
12 grant, loan, and loan guarantee under the Fund
13 if any component rare earth material used to
14 produce such magnet was produced in a non-al-
15 lied foreign nation.

16 (C) DEFINITIONS.—In this paragraph:

17 (i) COMPONENT RARE EARTH MATE-
18 RIAL.—The term “component rare earth

1 material” means neodymium, praseo-
2 dymium, dysprosium, terbium, samarium,
3 gadolinium, and cobalt.

4 (ii) NON-ALLIED FOREIGN NATION.—
5 The term “non-allied foreign nation” has
6 the meaning given to the term “covered
7 nation” in section 2533c(d) of title 10,
8 United States Code.
