AMENDMENT TO THE RULES COMMITTEE PRINT
OF H.R. 658
OFFERED BY MS. RICHARDSON OF CALIFORNIA

Page 173, at the end of the matter following line 2, insert the following:

"42304. Notification of flight status by text message or email.

Page 179, line 23, strike the closing quotation marks and the final period and insert the following:

1 § 42304. Notification of flight status by text message or email

2  "Not later than 180 days after the date of enactment

3  of this section, the Secretary of Transportation shall issue

4  regulations to require that each air carrier that has at

5  least one percent of total domestic scheduled-service pas-

6  senger revenue provide each passenger of the carrier—

7  "(1) an option to receive a text message or

8  email or any other comparable electronic service,

9  subject to any fees applicable under the contract of

10  the passenger for the electronic service, from the air

11  carrier as a means of notification of any change in

12  the status of the flight of the passenger whenever
the flight status is changed before the boarding process for the flight commences; and

“(2) the notification if the passenger requests the notification.”.
