

**AMENDMENT TO H.R. 4**  
**OFFERED BY MR. ROHRABACHER OF CALIFORNIA**

At the end of title V, add the following:

1 **SEC. 5\_\_\_ . NOISE MITIGATION.**

2       All commercial aircraft shall fly as high, quietly, and  
3 pollutant free as safely as is possible when departing and  
4 arriving at all U.S. commercial service airports with  
5 1,000,000 or more annual enplanements, unless an appro-  
6 priate study determines that another option at a specific  
7 airport increases noise mitigation without reducing safety.
