(b) Eligible Entities.—A grant under this section may be made only to entities that meet such requirements as the Secretary shall establish to ensure that any entity receiving a grant has the capacity to acquire and preserve housing affordability in such communities, including—

(1) a nonprofit organization, including land trusts;

(2) a public housing agency or other State or local government agency;
(3) an Indian tribe (as such term is defined in section 4 of the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4103)) or an agency of an Indian tribe;

(4) a resident organization in which homeowners are members and have open and equal access to membership; or

(5) such other entities as the Secretary determines will maintain housing affordability in manufactured housing communities.

(c) USE OF GRANT AMOUNTS.—Amounts from a grant under this section may be used only for—

(1) the acquisition and preservation of manufactured housing communities;

(2) such acquisition and preservation, together with costs for making improvements to common areas and community property for acquired manufactured housing communities; or

(3) the demolition, removal, and replacement of dilapidated homes from a manufactured housing community.

(d) PRESERVATION; AFFORDABILITY; OWNERSHIP.—A grant under this section may be made only if the Secretary determines that the grantee will enter into such
binding agreements as the Secretary considers sufficient
to ensure that—

(1) the manufactured housing community ac-
quired using such grant amounts—

(A) will be maintained as a manufactured
housing community for a period that begins
upon the making of such grant and has a dura-
tion not shorter than 20 years;

(B) will be managed in a manner that ben-
efits the residents and maintains their quality
of life for a period not shorter than 20 years;

(C) will, for a period not shorter than 20
years, be subject to limitations on annual in-
creases in rents for lots for manufactured
homes in such community either through resi-
dent control over increases or, if owned by a
party other than the residents, as the Secretary
considers appropriate to ensure continued af-
fordability and maintenance of the property,
but not in any case annually to exceed the per-
centage that is equal to the percentage increase
for the immediately preceding year in the Con-
sumer Price Index for All Urban Consumers
(CPI–U) plus 7 percent, and such rents will
comply with any applicable State laws;
(D) will be owned by an entity described in subsection (b) for a period not shorter than 20 years; and

(E) has not been the primary beneficiary of a grant under this section during the preceding 5 years; and

(2) if in the determination of the Secretary the provisions of the agreement have not been met, the grant shall be repaid.

(e) Amount.—The amount of any grant under this section may not exceed the lesser of—

(1) $1,000,000; or

(2) the amount that is equal to $20,000 multiplied by the number of manufactured home lots in the manufactured housing community for which the grant is made.

(f) Matching Funds.—The Secretary shall require a grantee of grant under this section to provide non-Federal matching funds for use only for the same purposes for which the grant is used in an amount equal or exceeding the amount of the grant provided to the grantee. Such non-Federal matching funds may be provided by State, tribal, local, or private resources and may be a grant or loan, in cash or in-kind.

(g) Applications; Selection.—
(1) APPLICATIONS.—The Secretary shall provide for eligible entities under subsection (b) to apply for grants under this section, and shall require such applications to contain such assurances as the Secretary may require regarding the availability of matching funds sufficient to comply with subsection (f) and any organizational documents regarding the manufactured housing community for which the grant is made, as may be required by the State in which such community is located. The Secretary shall accept applications on a rolling basis and approve or deny each application within 20 business days of receipt in order to facilitate market-based transactions by an applicant.

(2) SELECTION.—The Secretary shall establish criteria for selection of applicants to receive grants under this section, which criteria shall—

(A) give priority to grantees who would use such grant amounts to carry out activities under subsection (e) within areas having a high concentration of low-, very low-, or extremely low-income families (as such terms are defined in section 3(b) of the United States Housing Act of 1937 (42 U.S.C. 1437a(b)));
(B) give priority to grants for the benefit of communities that have not received a grant under this section during the preceding 10 years; and
