OFFERED BY MS. SALINAS OF OREGON

Page 598, after line 2, insert the following new subsection (and redesignate the subsequent subsection accordingly):

(b) RULE OF CONSTRUCTION.—Nothing in subsection (a)(1) shall be construed as limiting or otherwise affecting any authority of the Secretary of Defense to develop, fund, or implement any plan, strategy, or advisory committee related to the following:

1. Energy security or operational readiness.
2. Climate change adaptation or climate resilience (as such term is defined in section 101 of title 10, United States Code), including infrastructure and military installation resilience (as such term is defined in such section).
3. Any effort of the Department of Defense to prevent, mitigate, or remediate adverse environmental impacts, including impacts that may affect the health or safety of members of the Armed Forces.
(4) The research and development, procurement, or adoption of any clean energy technology.

(5) Any other issue at the nexus of national security and the environment.
