1       (b) **RULE OF CONSTRUCTION.**—Nothing in sub-  
2 section (a)(1) shall be construed as limiting or otherwise  
3 affecting any authority of the Secretary of Defense to de-  
4 velop, fund, or implement any plan, strategy, or advisory  
5 committee related to the following:

6           (1) Energy security or operational readiness.

7           (2) Climate change adaptation or climate resil-  
8 ience (as such term is defined in section 101 of title  
9 10, United States Code), including infrastructure  
10 and military installation resilience (as such term is  
11 defined in such section).

12           (3) Any effort of the Department of Defense to  
13 prevent, mitigate, or remediate adverse environ-  
14 mental impacts, including impacts that may affect  
15 the health or safety of members of the Armed  
16 Forces.

1           (4) The research and development, procure-  
2           ment, or adoption of any clean energy technology.

3           (5) Any other issue at the nexus of national se-  
4           curity and the environment.
