

AMENDMENT TO RULES COMMITTEE PRINT 117-

52

OFFERED BY MR. SCHNEIDER OF ILLINOIS

Add at the end of subtitle E of title VIII the following:

1 **SEC. 8___. SENSE OF CONGRESS ON MODERNIZING DE-**
2 **FENSE SUPPLY CHAIN MANAGEMENT.**

3 (a) FINDINGS.—Congress finds the following:

4 (1) The continued modernize Department of
5 Defense supply chain management using private sec-
6 tor best practices where applicable is imperative to
7 run effective domestic and overseas operations, en-
8 sure timely maintenance, and sustain military forces.

9 (2) Congress supports the continued develop-
10 ment and integration by the Secretary of Defense of
11 advanced digital supply chain management and ca-
12 pabilities. These capabilities should include tools
13 that digitize data flows in order to transition from
14 older, inefficient manual systems, modernize ware-
15 house operations of the Department of Defense to
16 use digitized data management and inventory con-
17 trol, and maximize cybersecurity protection of logis-
18 tics processes.

1 (b) SENSE OF CONGRESS.—It is the sense of Con-
2 gress that, to meet the unique needs of the Department
3 of Defense regarding continuity of supply chain manage-
4 ment in both garrison and deployed or austere environ-
5 ments, the Department must prioritize digital supply
6 chain management solutions that use durable devices and
7 technologies designed to operate in remote regions with
8 limited network connectivity.
