AMENDMENT TO
RULES COMMITTEE PRINT 118–10
OFFERED BY MR. SHERMAN OF CALIFORNIA

Add at the end of subtitle B of title XXXI the following:

SEC. 31. REQUIREMENTS FOR TRANSFER OF CERTAIN UNITED STATES NUCLEAR TECHNOLOGY.

(a) PROHIBITION.—The President may not provide authorization to transfer any nuclear reactor, equipment, or technology to the Kingdom of Saudi Arabia by a foreign government or foreign person unless the President certifies to the appropriate congressional committees that Saudi Arabia—

(1) has signed and implemented an Additional Protocol to its Comprehensive Safeguards Agreement with the International Atomic Energy Agency;

and

(2) does not have, is not acquiring or attempting to acquire, and is not building or attempting to build, nuclear enrichment or reprocessing facilities, including enrichment and reprocessing facilities described in subsection (b).
(b) Nuclear Enrichment and Reprocessing Facilities Described.—For the purposes of subsection (a), nuclear enrichment and reprocessing facilities include any installations or equipment that can—

(1) increase the ratio of uranium–235 to that of the total uranium in question;

(2) chemically separate nuclear material from fission products, following dissolution of spent fuel;

(3) create fuel for nuclear reactors; or

(4) produce special fissionable material as defined in Article XX of the statute of the International Atomic Energy Agency.

c) Appropriate Congressional Committees Defined.—In this section, the term “appropriate congressional committees” means—

(1) the Committee on Foreign Affairs and the Committee on Armed Services of the House of Representatives; and

(2) the Committee on Foreign Relations and the Committee on Armed Services of the Senate.
