

**AMENDMENT TO H.R. 444**  
**OFFERED BY MR. SCALISE OF LOUISIANA**

Section 3(b) is amended by striking “and” at the end of paragraph (3), by striking the period and inserting “; and” at the end of paragraph (4), and by adding at the end the following new paragraph:

1           (5) under a separate heading entitled “Direct  
2           Spending”, which shall include a category for  
3           “Means-Tested Direct Spending” and a category for  
4           “Nonmeans-Tested Direct Spending” and sets  
5           forth—

6                   (A) the average rate of growth for each  
7                   category in the total amount of outlays during  
8                   the 10-year period preceding the budget year;

9                   (B) information on the budget proposals  
10                   for reform of such programs;

11                   (C) a description of programs which shall  
12                   be considered means-tested direct spending and  
13                   nonmeans-tested direct spending for purposes  
14                   of this paragraph; and

1                   (D) an annual estimate of the total  
2                   amount of outlays for each such program for  
3                   the period covered by the budget proposal.
