

**AMENDMENT TO
RULES COMMITTEE PRINT 119-3**

OFFERED BY MRS. TORRES OF CALIFORNIA

At the end of title X, add the following new section:

Sec. _____. U.S. Army Corps of Engineers Civil Works
Work Plan, Fiscal Year 2025

(a) Congress disapproves the Civil Works Work Plan issued by the U.S. Army Corps of Engineers for Fiscal Year 2025 (issued in May 2025).

(b) Consistent with Section 1503 of Public Law 119-4, the Chief Engineer of the U.S. Army Corps of Engineers is directed to submit a new revised work plan for fiscal year 2025.

(c) As part of the revised work plan, the U.S. Army Corps of Engineers (USACE) must allocate resources for California's water infrastructure, environmental restoration, and flood management projects. In light of California's unique challenges, including drought, wildfire risks, floods, the USACE is directed to address these urgent needs, ensuring California's infrastructure is modernized, and communities are shielded from environmental and flood-related disasters
