

AMENDMENT TO DIVISION A OF RULES
COMMITTEE PRINT 115-71
OFFERED BY MR. VALADAO OF CALIFORNIA

At the end of title II, insert the following:

1 RESTRICTION ON USE OF FUNDS

2 SEC. 208. None of the funds made available by this
3 Act or any other Act shall be used by the Department
4 of the Interior to modify or otherwise adjust the following
5 in any manner that would further constrain or limit the
6 ability of the Central Valley Project or California State
7 Water Project to provide, at the earliest possible date, the
8 maximum quantity of water supplies to Central Valley
9 Project agricultural, municipal, and industrial contractors,
10 water service or repayment contractors, water rights set-
11 tlement contractors, exchange contractors, refuge contrac-
12 tors, and State Water Project contractors:

13 (1) The Reasonable and Prudent Alternative
14 described in the Fish and Wildlife Service's Decem-
15 ber 15, 2008, biological opinion on the coordinated
16 operations of the Central Valley Project and State
17 Water Project or the Department of Commerce.

18 (2) The Reasonable and Prudent Alternative
19 described in the National Marine Fisheries Service's

- 1 June 4, 2009, Biological Opinion and Conference
- 2 Opinion on the Long-Term Operations of the Cen-
- 3 tral Valley Project and State Water Project.
