

At the end of the bill (before the short title) insert the following:

SEC. XXX. Provided, That funds shall be made available for the Secretary of Veterans Affairs to notify the Attorney General according to section 40901(e)(1)(D) of title 34, United States Code, that the basis under which records of veterans were made available to the Attorney General pursuant to section 5502 of title 38, United States Code, was incorrect and never applied.
