AMENDMENT TO RULES COMM. PRINT 118–10
OFFERED BY MS. WEXTON OF VIRGINIA

At the end of subtitle B of title XII, add the following:

SEC. __. SENSE OF CONGRESS.

It is the sense of Congress that—

(1) it has been long-standing bipartisan policy to support a two-state solution to the Israeli Palestinian conflict;

(2) a negotiated two-state solution is essential to achieving the goal of a democratic Jewish state of Israel and a viable, democratic Palestinian state living side by side in peace, security, and mutual recognition; and

(3) the United States is concerned by the absence of negotiations and urges both sides to refrain from engaging in unilateral action that jeopardizes the chances for dialogue and returning to the negotiating table, or of eventual achievement of a two-state solution, including—

(A) incitement of violence, ongoing Palestinian prisoner payments that incentivize or reward terrorism, and pursuing recognition as a
state and membership in international organiza-

tions in lieu of achieving a two-state solution

through negotiations; and

(B) Israeli annexation of territory and set-
tlement expansion outside of an agreement ne-
gotiated between the two sides and extremist
settler violence in the West Bank.
