2 **NATIONAL RESEARCH.**

3 (a) LIST OF ALLIED COUNTRIES.—The Secretary of
4 State, in consultation with the Director of the Office of
5 Science and Technology Policy, the National Security
6 Council, the Secretary of Energy, the Director of the Na-
7 tional Science Foundation, and the heads of other relevant
8 agencies, shall create a list of allied countries with which
9 joint international research and cooperation would ad-
10 vance United States national interests and advance sci-
11 entific knowledge in key technology focus areas.

12 (b) ESTABLISHMENT OF SECURITY PROCEDURES.—
13 The Secretary of State, in consultation with the individ-
14 uals and entities listed in subsection (a), shall collaborate
15 with similar entities in the countries appearing on the list
16 created pursuant to subsection (a) to develop, coordinate,
17 and agree to general security policies and procedures for
18 governmental, academic, and private sector research, to
19 prevent sensitive research from being disclosed to adver-
20 saries.

1 (c) REPORT.—Not later than 1 year after the date
2 of the enactment of this Act, the Secretary of State, in
3 consultation with the individuals and entities listed in sub-
4 section (a), and allied countries appearing on the list cre-
5 ated pursuant to subsection (a), shall submit a report to
6 Congress that identifies the most promising international
7 research ventures that leverage resources and advance re-
8 search in key technology focus areas.
