“(1) ELIGIBILITY.—For purposes of deter-

corporation shall accept assumptions incorporated in
a multiemployer plan’s determination that it is in
critical status or critical and declining status (within
the meaning of section 305(b)) for certifications of
plan status completed before January 1, 2021, un-
less such assumptions are clearly erroneous. For cer-
tifications of plan status completed after December 31, 2020, a plan shall determine whether it is in critical or critical and declining status for purposes of eligibility for special financial assistance by using the assumptions that the plan used in its most recently completed certification of plan status before January 1, 2021, unless such assumptions (excluding the plan’s interest rate) are unreasonable.

“(2) AMOUNT OF FINANCIAL ASSISTANCE.—In determining the amount of special financial assistance in its application, an eligible multiemployer plan shall—

month in which the application for special financial
assistance is filed by the eligible multiemployer plan
or the 3 preceding months, with such specified rate
increased by 200 basis points.

“(4) CHANGES IN ASSUMPTIONS.—If a plan de-
determines that use of one or more prior assumptions
is unreasonable, the plan may propose in its applica-
tion to change such assumptions, provided that the
plan discloses such changes in its application and
describes why such assumptions are no longer rea-
sonable. The corporation shall accept such changed
assumptions unless it determines the changes are
unreasonable, individually or in the aggregate. The
plan may not propose a change to the interest rate
otherwise required under this subsection for eligi-
bility or financial assistance amount.

“(f) APPLICATION DEADLINE.—Any application by a
plan for special financial assistance under this section

Such notice shall specify the reasons the plan is ineligible for special financial assistance, any proposed change or assumption is unreasonable, or information is needed to complete the application. If a plan is denied assistance under this subsection, the plan may submit a revised application under this section. Any revised application for special financial assistance submitted by a plan shall be deemed approved unless the corporation notifies the plan within 120 days of the filing of the revised application that the application is incomplete, any proposed change or assumption is unreasonable, or the plan is not eligible under this section. Special financial assistance issued by the corporation shall be effective on a date determined by the corporation, but no later than 1 year after a plan’s special financial assistance application is approved by the corporation or deemed approved. special financial assistance occurs, for participants and beneficiaries as of such month; and

“(2) provides payments equal to the amount of benefits previously suspended under section 305(e)(9) or 4245(a) to any participants or beneficiaries in pay status as of the effective date of the special financial assistance, payable, as determined by the eligible multiemployer plan—

“(A) as a lump sum within 3 months of such effective date; or

“(B) in equal monthly installments over a period of 5 years, commencing within 3 months of such effective date, with no adjustment for interest.

“(l) WITHDRAWAL LIABILITY.—An employer’s withdrawal liability for purposes of this title shall be calculated without taking into account special financial assistance received under this section until the plan year beginning 15 calendar years after the effective date of the special financial assistance.

“(m) REQUIRED DISCLOSURE.—An eligible plan that receives special financial assistance under this section shall provide to the corporation, the Secretary of the Treasury, each employer that has an obligation to contribute to such plan, and each labor organization rep-

Such disclosure shall include a statement that, due to the special financial assistance provided under this section, the plan will have sufficient resources to pay 100 percent of the plan’s benefit obligations until the last day of the plan year ending in 2051.

“(n) Restrictions on the Use of Special Financial Assistance.—Special financial assistance received under this section and any earnings thereon may be used by an eligible multiemployer plan to make benefit payments and pay plan expenses.
