Beginning on page 105, strike line 14 and all that follows through page 106, line 5 and insert the following:

1           (b) SENSE OF HOUSE OF REPRESENTATIVES.—It is  
2 the sense of the House of Representatives that—

3           (1) any airport authority controlling one of the  
4 Nation’s 20 busiest airports as determined by the  
5 annual number of enplanements, that has not al-  
6 ready done so, should undertake an airport noise  
7 compatibility planning study under part 150 of title  
8 14, Code of Federal Regulations, for each of the air-  
9 ports under its jurisdiction;

10           (2) the Airport Authority should pay particular  
11 attention to the compatibility of land use and impact  
12 of noise on affected neighborhoods, including homes,  
13 schools, and places of worship in communities sur-  
14 rounding the airports; and

15           (3) until such airport authorities complete a  
16 noise compatibility study under Part 150 of title 14,  
17 Code of Federal Regulations, and have such study  
18 approved, the Secretary of Transportation may incur

1 obligations to make grants from amounts made  
2 available under section 48104 of title 49, United  
3 States Code.
