

AMENDMENT TO THE RULES COMMITTEE PRINT

115-42

OFFERED BY MR. POLIS OF COLORADO

Add at the end the following:

1 **SEC. 4. SENSE OF CONGRESS.**

2 It is the Sense of Congress that—

3 (1) manufactured housing developments are
4 often located in low-income, rural communities,
5 areas that also tend to lack broadband connectivity;

6 (2) while internet connectivity was once consid-
7 ered a luxury, in our 21st century economy it is in-
8 creasingly clear that all Americans require fast and
9 reliable broadband to access opportunities and ex-
10 press their freedom of speech, regardless of geog-
11 raphy or income;

12 (3) communities, businesses, and homes that
13 lack broadband often overlap with areas of rural- or
14 low-income Americans living in manufactured or
15 modular homes that the amendments made by sec-
16 tions 2 and 3 are intended to support; and

1 (4) it is imperative that Congress take all pos-
2 sible steps to ensure that universal broadband access
3 becomes a reality.
